

HOW DO YOU ENVISION DOWNTOWN LISLE?

About the Plan

The **Downtown Lisle Master Plan** is a blueprint that will direct growth, investment, and development in the Downtown area over the next 10 years. Extensive public outreach is being conducted throughout the planning process, and the community's vision will drive the Plan's direction and recommendations. Ultimately, the Plan will answer: "What should our Downtown look like in 10 years and how do we get there?"
