

Minutes
Village of Lisle
Transportation Advisory Commission
May 16, 2019

A meeting of the Transportation Advisory Commission was held on Thursday, May 16, 2019 in the Training Room of the Lisle Police Department, 5040 Lincoln Ave, Lisle IL. These minutes do not purport to be a transcript of the meeting, but are merely a summary of events and discussions that transpired. Commission member Lee Herrera called to order at 7:32PM.

1. Roll Call

PRESENT: Commission Members Mary Ann Anderson, Lee Herrera, David Heyson, Chuck Johnwick and John Mueller.

ABSENT: Chairman Pat Cawiezel and Commission Member Diane Lauridsen.

Also Present: Sergeant Tim Dempsey, Jessica Martinez and Michael Martinez.

2. Stop sign installation on Riverbend Drive

Commission members as well as residents from 6190 Riverbend Drive have gone over the speed sign summary and it showed the average maximum speed at 33 mph with total average per day of 563 cars. The commission doesn't feel that there is a speeding issue but there are many cars that do drive through this area per day. Mrs. Martinez was curious to know what the speed was for the cars coming from the Bulls/Sox academy to really get a better idea of the speeding if any that occurs in this area. Per Sergeant Dempsey this area does not qualify for a stop sign due to not enough car volume, total number of car accidents (none in the last 3 years) and not having a speed issue (after reviewing the traffic summary). The commission members do feel that the next step for Mr. and Mrs. Martinez would be to go to their association in this area and ask them to provide a fence around the area the neighborhood children in play in or even possibly a children at play sign up to notify drivers to be more cautious. At this time there will be no action on the stop sign installation on Riverbend Drive.

3. Approval of minutes for April 18,2019

John Mueller moved to approve meeting minutes for April 18, 2019. Mary Ann Anderson seconded the motion. All Ayes approved the motion.
