A motion was moved to approve the meeting minutes of August 28, 2019; The motion was seconded.

All Ayes Approved the Motion Motion Carried

3. Review and discuss the Bicycle and Pedestrian Plan - Project schedule and kick off meeting.

A phone presentation was held with representatives from the Active Transportation Alliance, Heather Schady, Senior Transportation Planner, and Maggie Melin, Advocacy Manager. This presentation outlined their goals in working with the Village to update the 2008 Bicycle and Pedestrian Plan.

The Active Transportation Alliance is a Not for Profit organization serving the Chicago metropolitan region. Their focus will provide potential improvements on all modes of transportation, walking, biking and transit.

Areas of focus will be Health, Safety, Transportation, Connectivity, Social Economic Development, Environmental and Equity. The approach for the study update will be community centered, data driven, involve all modes, ages, abilities and implementation focused. Aiding in that goal would be the development of a “Complete Streets” policy. This guiding policy is achieved by determining who uses the road, how it is used and finally, how to make roads safe for everyone.

A timeline for this project was discussed. The completion date is scheduled for May 2020, at which time a presentation will be made to the Village Board.

The next step is gaining community input and feedback through a Community Survey and Community Mapping exercise. The survey and mapping will be available on the Village’s website.

A Community Meeting/Workshop date was set for December 4, 2019 at 7pm.
4. Other Items of Concern

No other items of concern

5. Adjourn

A motion for adjournment was made and seconded. The meeting was adjourned at 9:01 a.m.

Respectfully submitted,

Marj Walters
Administrative Secretary
